**Nelson™ Marshmallow Sofa**

## WHOLLY UNIQUE

The Marshmallow sofa illustrates how the whole can be greater than the sum of its parts. By joining separate elements and making them appear to float on air, designers George Nelson and Irving Harper achieved this sofa's unique appearance and eye-catching appeal. The result is a piece with just the right mix of drama and utility for lobbies, lounges, and living rooms. As the 1956 Herman Miller furniture catalog put it, "Despite its astonishing appearance, this piece is very comfortable."

### SOLID FOUNDATION

A brushed tubular steel frame with satin black legs provides a strong, durable base, making the sofa appropriate for high-traffic areas.

### DETACHABLE CUSHIONS

The sofa's 18 cushions detach for easy cleaning or, as the original catalog says, "interchanged to equalize wear."

### CHOICE OF UPHOLSTERY

Cushions are available in a wide selection of upholstery fabrics and leathers.
